12:59 Lullaby

Bedouin Soundclash

it's silent in the early morning the only sound is my breathing
as i lay awake not knowing where it will be i'm going.
but i know, time moves slow at 12:59, i sing lullaby
and if you want me to sing you a song, i know that theres a 12:59 lullaby tonight.i'll see the next hour through, it falls to the next so soon.
while my guitar waits for a tune, where have the songs played gone toand i know, time moves slow at 12:59 i sing lullabies
and if you want me to sing you a song, i know that there's a 12:59 lullaby tonightand if you want me to sing you a song, i know that there's a 12:59 lullaby tonight..a-oooh a-ooooh a-ooooh
