

Still I Rise

Nicki Minaj

[VERSE 1]She said fuck fendi but I think she was playin'.
I heard she move them thangs, I think she's fucking wayne .
She call herself Lewinsky, that mean she give him brain.
She tryna be like lil kim, her picture looks the same .
Why she aint signed to G-Unit, she from queens, right?
& What's her nationality, she Chinese right ?
I mean she okay, but she aint all that .
She aint the next bitch, tell that bitch fall back .
See I'ma hater, I go hard, listen lets begin .
You know her last name Minaj, she a lesbian .
& She aint never coming out, look at currency .
but every time she do a interview, you know I run & see .
She get me so sick it make me vomit .
That's why I spend my time online leavin' comments.
& you know that I got some more haters with me.
might hit up thisis50, MTV, hit up BET .
Tell'em pretty pretty please , don't play Nicki .

[CHORUS]

Still I rise, still I fight, still I might crack a smile .
Keep my eyes on the prize, see my haters, tell them hi .
One day you'll remember this, one day when we reminisce. Nothing I do ever is good enough for the music biz .

[VERSE 2]Bitches is like crabs in a bucket .
You see a bad bitch gettin' shine, you should love it .
Cause every time a door opens for me that means you just got a better opportunity to do you .
they don't understand these labels look at numbers it's statistics.
I lose, you lose, mine is just logistics.
anyway real bitches listen when I'm speakin',
cause if Nicki win then all of ya'll gettin' meetings.
Ask LA Reid, ask Jay .
Then hit up Universal & see what Sylvia Rhone say .
Ask Craig Common, you can ask Chris .
Lady when ya done, just salute a bad bitch .
Only underground bitch around that's duckin' the paparazzi.
in & out of town be swervin' like mazeratzi .
Stay around the white like a nazi.
pussy pppoppin' on my poppers so the cops can see.
bitches .

[CHORUS]

Still I rise, still I fight, still I might crack a smile .

Keep my eyes on the prize, see my haters tell them hi .

One day you'll remember this, one day when we reminsce. Nothing I do ever is good enough for the music biz .
