Sleep

Bananarama

My lover, my angel
Each time you layed with me
Falling from your lips
With each kiss
You're betraying meDon't tell me you made me
You played me for a fool
Lies come tumbling down now
Like a waterfall
Over me
Like a heaven without the stars, yeah
I don't know why you broke my heartJust send me to sleep
I just wanna dream
Don't wanna believe
This is happening to me
Just send me to sleep
For eternity
Yeah
'Cause I don't wanna be here alone
NoSo silent, so sweetly
You played your game with me
Slowly suffocating
Love was fadingI couldn't breathe
Beloved
Unfaithfull
No words are left to speak
Crossed unholy water
You can't alter
Your fate, yeahSummer kisses fade away, yeah
I'm left standing in the rainJust send me to sleep
I just wanna dream
Don't wanna believe
This is happening to me
Just send me to sleep
For eternity
Yeah
'Cause I don't wanna be here alone
NoJust send me to sleep
I just wanna dream
Don't wanna believe

This is happening to me
Just send me to sleep
For eternity
Yeah
'Cause I don't wanna be here alone
NoJust send me to sleep
I just wanna dream
Don't wanna believe
This is happening to me
Just send me to sleep
For eternity
Yeah
'Cause I don't wanna be here alone
No
