Career Suicide

The Cliks

Vindication bleeds you from every pore
Until hope runs out, until my feet leave the floor
The first trance of that too familiar feeling
Smiles and daggers, hearts are bleedingDon't say no, I'll soon know
Don't say no, I'll soon knowConvictions see you through
Are you all you know?
Convictions see you through
Are you all you know?Your faded costume is wearing thin
Was there no comfort in your own skin?
You always were a slow learner inside your ugly living lies
Tell yourself that next time you cryDon't say no, I'll soon know
Don't say no, I'll soon knowConvictions see you through
Are you all you know?
Convictions see you through
Are you all you know?Don't say no, I'll soon know
Don't say no, I'll soon knowConvictions see you through
Are you all you know?
Convictions see you through
Are you all you know?Don't go, don't go
Don't go, don't do it
