

Career Suicide

The Cliks

Vindication bleeds you from every pore
Until hope runs out, until my feet leave the floor
The first trance of that too familiar feeling
Smiles and daggers, hearts are bleeding
Don't say no, I'll soon know
Don't say no, I'll soon know
Convictions see you through
Are you all you know?
Convictions see you through
Are you all you know?
Your faded costume is wearing thin
Was there no comfort in your own skin?
You always were a slow learner inside your ugly living lies
Tell yourself that next time you cry
Don't say no, I'll soon know
Don't say no, I'll soon know
Convictions see you through
Are you all you know?
Convictions see you through
Are you all you know?
Don't say no, I'll soon know
Don't say no, I'll soon know
Convictions see you through
Are you all you know?
Convictions see you through
Are you all you know?
Don't go, don't go
Don't go, don't do it
