

Alone and Forsaken

Neko Case

We met in the springtime
When blossoms unfold
The pastures were green
And the meadows were gold Our love was in flower
As summer grew on
A love like the leaves
Has withered and gone The roses have faded
Theres frost at my door
The birds in the morning
Dont sing anymore The grass in the valley
Has started to die
And out in the darkness
The whippets will cry Alone and forsaken
By fate and by man
Oh Lord, if you hear me
Please hold to my hand
Oh, please understand Where has she gone to
Oh, where can she be
She may have forsaken
Some other like me She promised to honor
To love and obey
Each vow was a plaything
That she threw away The darkness is falling
The sky has turned gray
A hound in the distance
Is starting to bay I wonder, I wonder
What shes thinkin' of
Forsaken, forgotten
Without any love Alone and forsaken
By fate and by man
Oh Lord, if you hear me
Please hold to my hand
Oh, please understand
Oh, please understand
