Landslide

Oh Wonder

I know it hurts sometimes but
You'll get over it
You'll find another life to live
I know you'll get over itI know you're sad and tired
You've got nothing left to give
But you'll find another life to live
I know you'll get over it[Chorus]
So when you're caught in a landslide
I'll be there for you, I'll be there for you
And in the rain, give you sunshine
I'll be there for you, I'll be there for youAnd every time that you're lonely
Every time that you're feeling low, you should know
I'll be there for you, I'll be there for you
I'll be there for you, you know[Verse 2]
I know your hope is heavy but
You'll get over it
You'll find another life to live
I know you'll get over itAnd I know you feel like everything
Is falling to the wind
But don't you let the thunder in
Cause I know you'll get over it[Chorus]
So when you're caught in a landslide
I'll be there for you, I'll be there for you
And in the rain, give you sunshine
I'll be there for you, I'll be there for youAnd every time that you're lonely
Every time that you're feeling low, you should know
I'll be there for you, I'll be there for you
I'll be there for you, you know[Bridge]
You fell down by the wayside
Love locked in an overflow
And you threw stones at the starlight
Cause I stood on the sidelines telling youThat I get that you're lonely
And I see that you feel alone
But I hide in your heartbeat
I'll be there for you, you know[Chorus - Extended]
So when you're caught in a landslide
I'll be there for you, I'll be there for you
And in the rain, give you sunshine
I'll be there for you, I'll be there for youAnd every time that you're lonely

Every time that you're feeling low, you should know
I'll be there for you, I'll be there for you
I'll be there for you, you knowI'll be there for you, I'll be there for you
I'll be there for you, you know
I'll be there for you, I'll be there for you
I'll be there for you, you know
I'll be there for you, I'll be there for you
I'll be there for you, you know[Outro]
And every time that you're lonely
Every time that you're feeling low, you should know
I'll be there for you, I'll be there for you
I'll be there for you, you know
