

# Autumn Leaves

**Barbra Streisand**

Et les vents du nord les emportent  
Dans la nuit froide de l'oubli  
Tu vois, je n'ai pas oubliée  
La chanson que tu me chantaïsThe falling leaves drift by the window  
The autumn leaves are red and gold  
I see your lips the summer kisses  
The sun-burned hands I used to holdSince you went away, the days grew long  
And soon I'll hear old winter song  
But I miss you, most of all, my darling  
When autumn leaves start to fall
