Mark On Me

Eric Roberson

It didn't go like I have planned
I thought after we shared an evening
That I would have the upper hand
But the thought of this girl ain't leaving
She's constantly on my mind
And I thought it would be the love the way around
And I found, the games I play are played on me right now
Because I smell her hair, and I smell her perfumeEven though my love she's not there
And I can resume
Oh, she left a mark on me
She left a mark on me
She left a mark on me
This pretty little girl
She left a mark on me
She left a mark on me
She left a mark on me
I smell her hair
