# Torch (Original / 7" Single Version)

## Soft Cell

I'm lost again
And I'm on the run
Looking for love
In a sad songWith your avenger eyes
And your catlike ways
I can hold you
You are a foolFor me to be cruel
I'm leaning on this bar
Listening to you sing
And your sad songRings in my ears
And I start to cry
He's searching
She's showingSee him heLd in a deep
Deep spell he knows
She's glowing
I can find withinMy mind a way to go
I can look deep into
Your light and shoutHold me
Hold me
Hold me
Hold me
Hold meI hear the saxophone
And it tears my soul
And we're feeling old
Feeling so coldShe is the torch
And she is the theme
She could be a dream but
Oh boy - is she realTry to avoid her eyes
To avoid her words
They will hit you
With all that you feelHe's searching
She's showing
See him heLd in a deep
Deep spell he knowsShe's glowing.
I can find within
My mind a way to go
I can look deep into
Your light and shoutHold me
Hold me

Hold me
Hold me
Hold meSee her eyes
They are bright tonight
See the stars
Coming out tonightSee the moon
Looking down tonight
See how they
Light your way tonightSee my eyes
They are bright tonight
See my hands
Reaching out tonightHear my words
They are dynamite
See how they
Light your way tonightSee her eyes
They are bright tonight
See her eyes
They are bright tonightSee how they
Light your way tonight
