

# Torch (Original / 7" Single Version)

## Soft Cell

I'm lost again  
And I'm on the run  
Looking for love  
In a sad song With your avenger eyes  
And your catlike ways  
I can hold you  
You are a fool For me to be cruel  
I'm leaning on this bar  
Listening to you sing  
And your sad song Rings in my ears  
And I start to cry  
He's searching  
She's showing See him heLd in a deep  
Deep spell he knows  
She's glowing  
I can find within My mind a way to go  
I can look deep into  
Your light and shout Hold me  
Hold me  
Hold me  
Hold me  
Hold me I hear the saxophone  
And it tears my soul  
And we're feeling old  
Feeling so cold She is the torch  
And she is the theme  
She could be a dream but  
Oh boy - is she real Try to avoid her eyes  
To avoid her words  
They will hit you  
With all that you feel He's searching  
She's showing  
See him heLd in a deep  
Deep spell he knows She's glowing.  
I can find within  
My mind a way to go  
I can look deep into  
Your light and shout Hold me  
Hold me

Hold me  
Hold me  
Hold meSee her eyes  
They are bright tonight  
See the stars  
Coming out tonightSee the moon  
Looking down tonight  
See how they  
Light your way tonightSee my eyes  
They are bright tonight  
See my hands  
Reaching out tonightHear my words  
They are dynamite  
See how they  
Light your way tonightSee her eyes  
They are bright tonight  
See her eyes  
They are bright tonightSee how they  
Light your way tonight
