Otis Blues

Otis Spann

I got a gal that lives up on the hill
I got a gal that lives up on the hill
If she won't marry me, I know her sister willMy baby's little and low and she builds up from the ground
My baby's little and low and she builds up from the ground
Every time that I kiss her, know my loves comes fallin' downTell me baby, what's on your worried mind?
Tell me woman, what's on your worried mind?
When I thought you were leaving, you were lovin' me all the time.Cause you're little and low and you're built up from the ground
Yeah, you're little and low and you're built up from the ground
Every time that I kiss you, know my loves comes fallin' down
