

In My Dreams (Live 2010)

Eels

My love is always just as she seems
A force of nature all her own
To be reckoned with
Whatever's wrong with me
Her kiss redeems
And it's all there
In my dreams My love is soaring
She glides through the sky
Hardly a warning
She takes my hand
Says "Open your eyes"
We look down on the earth
And all its schemes
We laugh
And it's all there
In my dreams We swoop down below the clouds
Destination unknown
And then she says
"Let's go home" My love is resting under a tree
She whispers softly in my ear
As she lay next to me
"That was the funnest day"
Her sad eyes beam
And it's all there
In my dreams
