

Prayer (Live at Red Rocks)

Disturbed

Another dream that will never come true
Just to compliment your sorrow
Another life that I've taken from you
A gift to add on to your pain and suffering
Another truth you can never believe
Has crippled you completely
All the cries you're beginning to hear
Trapped in your mind, and the sound is deafening Let me enlighten you
This is the way I pray Living just isn't hard enough
Burn me alive, inside
Living my life's not hard enough
Take everything away Another nightmare about to come true
Will manifest tomorrow
Another love that I've taken from you
Lost in time, on the edge of suffering
Another taste of the evil I breed
Will level you completely
Bring to life everything that you fear
Live in the dark, and the world is threatening Let me enlighten you
This is the way i pray Living just isn't hard enough
Burn me alive, inside
Living my life's not hard enough
Take everything away Return to me
Leave me no one
Turn to me
Return to me
Cast aside You've made me turn away Living just isn't hard enough
Burn me alive, inside
Living my life's not hard enough
Take everything away
