

# Talk the Talk

## Mr. Mister

Talk to me, tell me what you're thinkin'  
Talk to me, say the words I want to hear  
'Cause I can be entertaining  
So what do you like? What do you want to do? Don't be a, don't be a stranger  
I wanna, I wanna take you  
Somewhere that, somewhere that we can Talk the talk, start up a conversation  
Talk the talk, let me inside your mind  
Talk the talk, this could be a revelation  
Talk the talk, we're talkin' the talk this time Talk to me, I can see you wanna  
Talk to me, just say the words I want to hear  
'Cause we can be entertaining  
I know what you like, I know what you want to see Don't be a, don't be a stranger  
I wanna, I wanna take you  
Somewhere that, somewhere that we can Talk the talk, start up a conversation  
Talk the talk, let me inside your mind  
Talk the talk, this could be a revelation  
Talk the talk, we're talkin' the talk this time, talk to me Don't be a, don't be a stranger  
I wanna, I wanna take you  
Somewhere that, somewhere that we can Talk the talk, start up a conversation  
Talk the talk, let me inside your mind  
Just talk the talk, this could be a revelation  
Talk the talk, we're talkin' the talk this time Talk the talk, the talk, the talk  
The talk, the talk, the talk, t-t-the yeah  
Talk the talk, let me inside your mind, talk to me  
Talk the talk, this could be a revelation Talk the talk, we're talkin', we're talkin', we're talkin'  
We're talkin', we're talkin', [Incomprehensible]  
Talk to me girl, talk the talk, the talk, the talk
