

# Round Here

## Counting Crows

Step out the front door like a ghost into the fog  
Where no one notices the contrast of white on white  
And in between the moon and you, angels get a better view  
Of the crumbling difference between wrong and right Well, I walk in the air between the rain  
Through myself and back again  
Where? I don't know Maria says she's dying  
Through the door, I hear her crying  
Why? I don't know Round here we always stand up straight  
Round here something radiates Maria came from Nashville with a suitcase in her hand  
She said she'd like to meet a boy who looks like Elvis  
And she walks along the edge of where the ocean meets the land  
Just like she's walking on a wire in a circus She parks her car outside of my house and  
Takes her clothes off, says she's close to understanding Jesus  
And she knows she's more than just a little misunderstood  
She has trouble acting normal when she's nervous Round here we're carving out our names  
Round here we all look the same  
Round here we talk just like lions but we sacrifice like lambs  
Round here she's slipping through my hands Woah  
Sleeping children better run like the wind  
Out of the lightning dream  
Mama's little baby better get herself in  
Out of the lightning She says, "It's only in my head"  
She says, "Shh, I know it's only in my head" But the girl on the car in the parking lot  
Says, "Man, you should try to take a shot  
Can't you see my walls are crumbling?" Then she looks up at the building  
And says she's thinking of jumping  
She says she's tired of life  
She must be tired of something Round here she's always on my mind  
Round here, hey man, got lots of time  
Round here we're never sent to bed early and nobody makes us wait  
Round here we stay up very, very, very, very late I, I can't see nothing, nothing round here  
You catch me if I'm falling, you catch me if I'm falling  
Will you catch me? 'Cause I'm falling down on you I said I'm under the gun round here  
Oh man, I said I'm under the gun round here  
Well I can't see nothing, nothing round here
