

Worn Me Down

[Rachael Yamagata](#)

Gone, she's gone, how do you feel about it?
That's what I thought you're real torn up about it
And I wish you the best, but I could do without it
And I will because you've worn me down
Oh, I will because you've worn me down Worn me down like a road, I did anything you told
Worn me down to my knees, I did anything to please
But you can't stop thinking about her
No, you can't stop thinking about her And you're wrong, you're wrong, I'm not overreacting
Something is off, why don't we ever believe ourselves?
And lie, oh I, I feel that word for you
And I will because you've worn me down
Oh, I will because you 've worn me down Worn me down like a road, I did anything you told
Worn me down to my knees, I did anything to please
But you can't stop thinking about her
No, you can't stop thinking about her 'Cause she's so pretty
She's so damn right
But I'm so tired of thinking
About her again tonight Worn me down like a road, I did anything you told
Worn me down to my knees, I did everything to please you
Worn me down like a road, I did everything you told me to do
But you, you can't stop thinking about her And no, you can't stop thinking about her
No, you can't stop thinking about her
No, you can't stop thinking of her
