

This Could Be Us (nosleep remix)

Rae Sremmurd

I've done it before, I've seen it before
Tears splashin' the floor when I open the door for her
She actin' like a whore and I'ma let her
Learned from Project Pat, pimpin', got a masters
Girl improvise, look me in my eyes and lie to me
Lie to me, act like I'll believe anything
Sex on the beach and in the backseat

This could be us So back to what I was saying (money make the world go 'round)

This could be us but you're playing (money make the girl go down)

This could be us but you're playing (money make the world go 'round)

I'm high, I hope I don't sound crazy (money make the girl go down)

Fuck what them niggas was saying (money make the world go 'round)

This could be us but you're playing (money make the girl go down)

This could be us but you're playing (money make the world go 'round)

But shit, that's all I was saying (money make the girl go down) No keys to crank this Mercedes

I ball like Tracy McGrady

Before that girl says anything

She gotta say please (Say please)

And I know they really wish we would ball 'til we fall

I'm the big bad wolf, it's a full moon, y'all

Toss the money in the air, girl

Watch how your dreams hit the floor

Wait 'til I get the buzz off this drug

Damn girl, you way too fine for a local club

Killin' someone's vibe should be a fuckin' crime

Wasted so much time, should be a fuckin' crime So back to what I was saying (money make the world go 'round)

This could be us but you're playing (money make the girl go down)

This could be us but you're playing (money make the world go 'round)

I'm high, I hope I don't sound crazy (money make the girl go down)

Fuck what them niggas was saying (money make the world go 'round)

This could be us but you're playing (money make the girl go down)

This could be us but you're playing (money make the world go 'round)

But shit, that's all I was saying (money make the girl go down) Spin the bottle, spin the fuckin' bottle

If you the reason why it's empty, baby

Spin the bottle

Truth or dare, nah you don't want no problem

Spin the bottle, spin the fuckin' bottle

If you the reason why it's empty, spin the fuckin' bottle

Truth or dare, no, no, you don't want no problem

You don't want no problem, bitch you must want problems
So back to what I was saying (money make the world go 'round)

This could be us but you're playing (money make the girl go down)
This could be us but you're playing (money make the world go 'round)
I'm high, I hope I don't sound crazy (money make the girl go down)
Fuck what them niggas was saying (money make the world go 'round)
This could be us but you're playing (money make the girl go down)
This could be us but you're playing (money make the world go 'round)
But shit, that's all I was saying (money make the girl go down)
