

# Paper

## Mustard Pimp

Hold the paper up to the light  
Some rays pass right through  
Expose yourself out there for a minute  
Some rays pass right through  
Take a little rest when the rays pass through  
Take a little time off when the rays pass through  
Go ahead, mix it up, go ahead and tie it up  
A long distance telephone call  
Hold on to that paper  
Hold on to that paper  
Hold on 'cause it's been taken care of  
Hold on to that paper  
See if you can fit it on the paper  
See if you can get it on the paper  
See if you can fit it on the paper  
See if you can get it on the paper

Had a love affair but it was only paper  
Some rays they pass right through  
Had a lot of fun, could have been a lot better  
Some rays they pass right through  
Take a little consideration, take every combination  
Take a few weeks off, make it tighter, tighter  
If you know it was never, it was never written down  
Still might be a chance that it might work out  
Hold on to that paper  
Hold on to that paper  
Hold on 'cause it'll be taken care of  
Hold on to that paper  
Don't think I can fit it on the paper  
Don't think I can get it on the paper  
Go ahead and rip up, rip up the paper  
Go ahead and tear up, tear up the paper
