Cousin Caterpillar

The Incredible String Band

My cousin has great changes coming
One day he'll wake with wings
My cousin has great changes coming
One day he'll wake with wings

Cousin caterpillar
Seven pairs of legs for you
My cousin caterpillar
Can you tell me just what they do?

Well, all that I can say is that they seem to help some way
To pull my little body along, pull my little body along
Well first I didn't know their use but worrying you only lose
So I said I love you and I love what you do, come on do your thing

My cousin as you see takes his changes easily
Oh happy we, could we take each change so easily?
Then all that we would say is that it seem to help some way
To pull our little bodies along, to pull our little bodies along
[Incomprehensible] do your thing

My cousin has great changes coming
One day he'll wake with wings
