

Fallin' For You

[Dierks Bentley](#)

I can't stand this fallin' for you
Every time I see you, I keep crawlin' towards you
I can't take this achin' feelin'
This cold heart breakin' feelin'
I can't stand this fallin' for you Well I hang my head by the riverside
Burst its banks with the tears I've cried
The ripples roll out to the sea
I wish they was washin' over me I can't stand this fallin' for you
Every time I see you, I keep crawlin' towards you
I can't take this achin' feelin'
This cold heart breakin' feelin'
I can't stand this fallin' for you
Every time I see you, I keep crawlin' towards you
I can't take this achin' feelin'
This cold heart breakin' feelin'
I can't stand this fallin' for you Well your blood is red but your soul is black
Don't believe I'm a comin' back
And now I know why the willows weep
The tide is high and the water's deep
