Live Wire

Jennifer Rush

You take one in a million
One walk on a crowded street
Take anything you like, babe
But just take me, tooI've got no easy answers
No guarantees, you see
Just take me as I am, babe
'Cause I want youOh, whoa
I'm out on the edge for you
Oh, whoa
You got me leaning
I'm flowing overYou're hot
You're a live wire
I feel the heat
I see the fire
You're hot
You're a live wire
And you're burning me
Baby, you're a live wireYou take one lonely rider
Or two people alone in this world
Just put 'em together
That's me and youI know you've always been a fighter
You go for what you want
Well, I've been going for a long time
Right towards youOh, whoa
I'm out on the edge for you
Oh, whoa
You got me leaning
I'm flowing overYou're hot
You're a live wire
I feel the heat
I see the fire
You're hot
You're a live wire
And you're burning me
Baby, you're a live wireYou're hot
You're a live wire
I feel the heat
I see the fire
You're hot

You're a live wire
And you're burning me
Baby, you're a live wireYou're a live wire, baby, ooh-ooh
You're a live wire, baby, ooh-ooh
You're a live wire, baby, ooh-ooh
(Burning me, baby)
You're a live wire, baby, ooh-ooh
(Burning me, yeah)
You're a live wire, baby, ooh-ooh
You're a live wire, baby, ooh-ooh
(Baby, you're a live wire)
You're a live wire, baby, ooh-ooh
You're a live wire, baby, ooh-ooh
