

# Got Me A Model

R.I.

R.L., E-Dub  
Huh huh Def Squad  
So so Def  
Yo peep the game two industry kids  
One of us contagious like Mr. Biggs  
Two never fib  
True, rest at crib  
Live, with a model chick and one kid  
You ain't trill, you pimp still  
With no game, buying them chicks with small fame, yeah  
I'm here boy to bust your bubble  
R.L., J.D. and me? I'm E double  
Everybody, they ask me  
Who they girl? As she walks past them  
She's mine though, and she knows that I'll never let her go  
So she grabs my hand, let's all the fellas know that I'm her man  
She pulls me close and dances slow  
Then whispers in my ear let's go  
We can do whatever it is that you wanna do  
As long as I can spend my whole night with you  
Jump in, my whip, and go back to my crib for some touching  
It's a nice body  
(I got me a model)  
She can't look like a shorty  
(I got me a model)  
Baby knows how to party  
(I got me a model)  
I gotta tell somebody  
(I got me a model)  
She ain't level headed  
(I got me a model)  
Thinkin' bow legged  
(I got me a model)  
That's why ain't Mama trickin'  
(I got me a model)  
Fellas get to listen  
(I got me a model)  
Check  
She's bangin', tonight

I'm speaking of this girl of mine  
She got me, no lie  
I think I found the love of my life  
So sexy, so fly  
Ease the way to my six parked outside  
She wants me, it's time  
Then she looks me in my eyes and says  
(Let's go)  
We can do whatever it is that you wanna do  
As long as I can spend my whole nights with you  
Jump in, my whip, and go back to my crib for some touching  
It's a nice body  
(I got me a model)  
She can't look like a shorty  
(I got me a model)  
Baby knows how to party  
(I got me a model)  
I gotta tell somebody  
(I got me a model)  
She ain't level headed  
(I got me a model)  
Thinkin' bow legged  
(I got me a model)  
That's why ain't Mama trickin'  
(I got me a model)  
Fellas get to listen  
(I got me a model)  
She's a chick who you speak to  
I let her freak too  
Put your hands up high let me know I speak true  
I'm a tell you, what you gon' do  
Don't you dare let her lose  
Listen when she tell you  
Ayo it's me again  
Erick Sermon  
Say ah that's my friend  
When I walk by haters cringe  
I shine like rims  
When I rock they gets ugly like Bubba Sparxxx and Tim  
Plus when I come through, got my chick with me  
Brown skin 5' 10 a buck 50  
That's what I'm talkin' 'bout  
And Michael Johnson jumpin' out the gate  
Chill she says  
We can do whatever it is that you wanna do

As long as I can spend my whole night with you  
Jump in, my whip, and go back to my crib for some touching

It's a nice body  
(I got me a model)  
She can't look like a shorty  
(I got me a model)  
Baby knows how to party  
(I got me a model)  
I gotta tell somebody  
(I got me a model)  
She ain't level headed  
(I got me a model)  
Thinkin' bow legged  
(I got me a model)  
That's why ain't Mama trickin'  
(I got me a model)  
Fellas get to listen  
(I got me a model)  
It's a nice body  
(I got me a model)  
She can't look like a shorty  
(I got me a model)  
Baby knows how to party  
(I got me a model)  
I gotta tell somebody  
(I got me a model)  
She ain't level headed  
(I got me a model)  
Thinkin' bow legged  
(I got me a model)  
That's why ain't Mama trickin'  
(I got me a model)  
Fellas get to listen  
(I got me a model)
