

# Let Go Of The Stone

**John Anderson**

You shouldn't wade out in deep water if you don't know how to swim  
He told you it was over and like a fool you followed him  
Into a whirlpool of emotions spinning out of control  
It's killing you but you won't let him go[Chorus]  
Let go of the stone if you don't want to drown  
In the sea of heartache that's dragging you down  
It's pulling you under but you keep hanging on  
If I'm ever gonna save you let go of the stone You should realize the danger and the hurt you're headed for  
Put your arms around me and swim with me to shore  
Let go of that old memory I know it's hard to do  
But I'll be here holding on to you[Chorus]
