

# Lullaby

## Hypnogaja

Once upon a time  
or so the stories told  
Everyone lives happily  
as the end unfolds Forever sweet  
and never ending All I want  
is to know why  
life is not  
a lullaby Reality tells  
a different kind of tale  
Everybody tries to win  
but everyone fails It's never sweet  
and never ending All I want  
is to know why  
life is not  
a lullaby It's all a lie  
Tell me why  
It's all a lie  
the lullaby All a lie, all a lie  
tell me why, tell me why  
All a lie, all a lie  
Lie All I want  
is to know why  
life is not  
a lullaby
