## Mushaboom

## **Feist**

Helping the kids out of their coats
But wait the babies haven't been born
Unpacking the bags and setting up
And planting lilacs and buttercupsBut in the meantime I've got it hard
Second floor living without a yard
It may be years until the day
My dreams will match up with my payOld dirt road
(Mushaboom, mushaboom)

Knee deep snow

(Mushaboom, mushaboom)

Watching the fire as we grow

(Mushaboom, mushaboom)

OldI got a man to stick it out

And make a home from a rented house

And we'll collect the moments one by one

I guess that's how the future's doneHow many acres, how much light

Tucked in the woods and out of sight

Talk to the neighbours and tip my cap

On a little road barely on the mapOld dirt road

(Mushaboom, mushaboom)

Knee deep snow

(Mushaboom, mushaboom)

Watching the fire as we grow

(Mushaboom, mushaboom)

Old

(Mushaboom, mushaboom)Old dirt road

Rambling rose

(Mushaboom, mushaboom)

Watching the fire as we grow

(Mushaboom, mushaboom)

Well, I'm sold
