

Stay

Rihanna

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air, said show me something
He said, if you dare come a little closer Round and around and around and around we go
Oohhhh now tell me now tell me now tell me now you know Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
It takes me all the way
I want you to stay It's not much of a life you're living
It's not just something you take, it's given Round and around and around and around we go
Oohhhh now tell me now tell me now tell me now you know Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
It takes me all the way
I want you to stay Oohh the reason I hold on
Oohh cause I need this hole gone
Funny you're the broken one but I'm the only one who needed saving
Cause when you never see the light it's hard to know which one of us is caving Not really sure how to feel about
it
Something in the way you move
Makes me feel like I can't live without you
It takes me all the way
I want you to stay... Stay...
I want you to stay, ooooooooooooooh
