Walk With You

Dispatch

And I will walk with you
Using the stars as guides
On a homeward path we go
Knowing our time is nigh
IAnd I will walk
To be with you
All I've done
To be with youSo put your hand in mine
And lay your head to rest
They won't be lit for long
We'll light the candles
We'll know our day was blessedAnd I will walk
I
To be with you
All I've done
Just to be with you
All I've done
Using the stars as guidesAnd I will walk with you
On a homeward path we go
Knowing our time is nigh
I will walk to be with youAll I've done
And I'll that I've said
to be with you
to be with youto be with you
