My Love Is All I Have

Charlie Wilson

Advisory - the following lyrics contain explicit language:

Hello, do you have a minute?
I noticed you from across the room
Excuse me, miss, don't take this wrong
I couldn't resist that smile and those beautiful eyes
I could see that you were fancy clothes and drive a fancy car
Your hair did and your nails done, looking like a superstar
Can I take out to dinner, baby?
'Cause there's something that I wanna say to youMy love is all I have
I have to give, I have to give
My love is all I have
I have to give, I have to give to youI may not have a bank account with seven figures,
And I may not have a sailboat and a big old mansion, oh, no
But I do know how to love you, baby
And in my own way, my own way, I'm rich as hell
I really hope that none of this don't matter
And I hope that you don't judge a man by his status
And I was wondering if you and I could get together
Know each other better
And I promise you I'll give my all and make my heart your mansionI'll give you all I have
Love is all I have
Girl, you see what it is, I'm just keeping it real
It's real, it's realMy love is all I have
I have to give, I have to give
My love is all I have
I have to give, I have to giveMy love is all I have
I have to give, I have to give
My love is all I have
I have to give, I have to give to you
