

# It Shook Me Up

**JD McPherson**

I didn't get what I wanted from the world today  
Didn't get all the edges to square away  
And the motion that I started didn't follow through  
- and I didn't get some time with you

**IT SHOOK ME UP**

I didn't do nothing but hem and haw  
Didn't stick a piece of paper in the wailing wall  
I didn't find a stranger worth talking to  
- and I didn't get some time with you

**IT SHOOK ME UP**

I didn't find a penny with the good side up  
Didn't dump a little sugar in my coffee cup  
Got a murderous secret to own up to  
- and I didn't get some time with you

**IT SHOOK ME UP**
