No Authority

Oldfashioned Ideas

There's nothing you can do about itThere is someone who knows everything there is to know
And there is someone who is too afraid to let it show
We live by consequences we never seem to get it right
Conflict of circumstances and sometimes we may lose a fightWouldn't you know something is going wrong
Wouldn't you know something is really wrong
And you can't do a thing about itNo, no, no you have no authority
No, no, no I am who I want to beThere are those of us who just sit back and never try
There are those of us who just sit back and wonder why
We live by consequences we never seem to get it right
Conflict of circumstances and sometimes we may lose a fightWouldn't you know something is going wrong
Wouldn't you know something is really wrong
And you can't do a thing about itNo, no, no you have no authority
No, no, no I am who I want to beWouldn't you know something is going wrong
Wouldn't you know something is really wrong
And you can't do a thing about itNo, no, no you have no authority
No, no, no I am who I want to be
And I know who I want to be
