

Numbness

The Verve

Just breathe in the air but don't be afraid
There's a time for us to make
Sense of all this pain
Sense of all this pain Mama, mama, mama, mama, mama don't let loose
Before you get tied just let the chains loose
Before you really, really, really, really let loose
Of all the faded chains Numbness on my brain, baby
Yeah, numbness on my brain
Yeah, numbness on my brain
Yeah, numbness on my brain Picture this life embracing
Living life, reminisce, take your time
No secret for a long while
Here comes Mother Nature's child Numbness on the brain
Numbness on the brain
Oh, rain
Yeah, numbness on the brain
Yeah, numbness on the brain Strange times are coming
Hope, yeah, you got your bags all here
Oh, you got your cupboard all stocked up
You got your pride, just rare, ready Numbness on my brain, baby
Yeah, numbness on my brain
Yeah, numbness on my brain
Yeah, numbness on my brain Oh yeah, oh yeah
So these are my days, my days, my days
So these are my crimes
So these are my crimes
So these are my crimes
(Numbness on my brain) I lived and died
I loved and I fall
(Numbness on my brain)
I fall and I cry
I laughed and I loved
(Yeah, numbness on my brain) I loved and I lost
Till the victory is ours
(Yeah, numbness on my brain)
The snakes in the grass Yeah, numbness on my brain
Yeah, numbness on my brain
Yeah, numbness on my brain
