

# I Look So Good (without You)

Jessie James

Hey boy, I would have thought that  
When you left me I'd be broken  
With my confidence gone, so gone  
Hey boy, I would have thought that  
When you said that you don't want me  
I'd feel ugly and sense something was wrong  
Standing in front of the mirror  
My skins never been clearer  
My smiles never been whiter  
I look so good without you  
Got me a new hairdo  
Looking fresh and brand new  
Since you said that we we're through  
Done with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbye  
I look so good  
I look so good without you  
I look so good  
I look so good without you  
Hey, I never would have thought that  
When you left me I'd feel sexy  
And so good in my skin again  
And I never would have known that  
I'd be dreaming so much better  
Without you in my head  
Standing in front of the mirror  
My clothes never fit better  
My, but I've never been louder  
I look so good without you  
Got me a new hairdo  
Looking fresh and brand new  
Since you said that we we're through  
Done with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbye  
I look so good

I look so good without you  
I look so good  
I look so good without you  
Now baby, my body's looking better than before  
Ain't biting my nails since you walked out of the door  
I realize now I deserve so much more than what you give  
Than what you give  
I look so good without you  
Got me a new hairdo  
Looking fresh and brand new  
Since you said that we're through  
I look so good without you  
Got me a new hairdo  
Looking fresh and brand new  
Since you said that we we're through  
Done with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbye  
Without you  
Got me a new hairdo  
Looking fresh and brand new  
Since you said that we're through  
Done with your lies  
Baby, now my tears dry  
You can see my brown eyes  
Ever since you said goodbye  
I look so good  
I look so good without you  
I look so good  
I look so good without you
