

# Just In Time

**Tony Bennett**

Just in time, I found you just in time

Before you came, my time was runnin' low  
I was lost, the losin' dice were tossed  
My bridges all were crossed, nowhere to go  
Now you're here and now I know just where i'm goin'

No more doubt or fear, I found my way  
For love came just in time, you found me just in time

And changed my lonely life that lovely day  
I was lost, the losin' dice were tossed  
My bridges all were crossed, nowhere to go  
Now you're here and now I know just where I'm goin'

No more doubt or fear, I found my way  
For love came just in time, you found me just in time

And changed my lonely life that lovely day
