

Express Yourself (Edit Version)

Madonna

Baby
B-b-b-baby
Come on girls
Do you believe in love?
'Cause I got something to say about it
And it goes something like this Don't go for second best baby
Put your love to the test
You know you know you've got to
Make him express how he feels
And maybe then you'll know your love is real You don't need diamond rings or eighteen karat gold
Fancy cars that go very fast
You know they never last no-no
What you need is a big strong hand
To lift you to your higher ground
Make you feel like a queen on a throne
Make him love you 'til you can't come down Don't go for second best baby
Put your love to the test
You know you know you've got to
Make him express how he feels
And maybe then you'll know your love is real Long stem roses are the way to your heart
But he needs to start with your head
Satin sheets are very romantic
What happens when you're not in bed You deserve the best in life
So if the time isn't right then move on
Second best is never enough
You'll do much better baby on your own
Don't go for second best baby
Put your love to the test
You know you know you've got to
Make him express how he feels
And maybe then you'll know your love is real Express yourself
You've got to make him
Express himself
Hey-hey-hey-hey So if you want it right now
Make him show you how
Express what he's got
Oh, baby ready or not And when you're gone he might regret it
Think about the love he once had
Try to carry on but he just won't get it

He'll be back on his knees To express himself
You've got to make him
Express himself
Hey-hey Don't go for second best baby
Put your love to the test
You know you know you've got to
Make him express how he feels
And maybe then you'll know your love is real Express yourself
You've got to make him
Express himself
Hey-hey-hey-hey So if you want it right now
Make him show you how
Express what he's got
Baby ready or not Express yourself
Respect yourself
Hey-hey (so if you want it right now)
(then make him show you how)
Express what he's got
Oh, baby ready or not Express yourself
(self-self-self)
