

# Forty Days And Forty Nights

Moira Kerr

Forty days and forty nights  
Since my baby left this town  
    Sunshinin' all day long  
But the rain keep comin' down  
    She's my life I need her so  
Why she left I just don't know  
    Forty days and forty nights  
Since I set right down and cried  
    Keep rainin' all the time  
    But the river is runnin' dry  
Lord help me it just ain't right  
I love that girl with all-a my might

Forty days and forty nights  
Since my baby broke my heart  
    Searchin' for her in a while  
    Like a blind man in the dark  
Love can make a poor man rich  
Or break his heart I don't know which  
Forty days and forty nights  
    Like a ship out on the sea  
    Prayin' for her each night  
That she would come back-a home to me  
    Life is love and love is right  
I hope she come back home tonight
