

On the Cool

Baby Bash

Let's keep it on the cool
It's between me and you
It's the freaky things we do
'Cause baby I like it, I like it Let's keep it on the cool
If they all laugh at you
The little things you do
'Cause baby I like it, I like it It wasn't no love at first sight
It was sex on the first night
How could it be so wrong
When it felt so strong, it felt so right? I like the way you back it up
'Cause yo chulo ain't no punk
Get it crunk, get it crunk
From the back to the front, any way you want Smoking, laughing, telling jokes
Smashing, riding on blades and spokes
Tell them we just friends
But you and I know, what's really though You take me on your odyssey
Keep the drama off of me
You love to get on top of me
When I get you wet and watery We sizzo and uh, we doin' our thug thizzo'
But yo friends don't know
We'll keep it low
And talk at the club a little When you drop 'em off at home
Get Beeshy on the celly
And I'll be at the telly
Honey be all ready Let's keep it on the cool
It's between me and you
It's the freaky things we do
'Cause baby I like it, I like it Let's keep it on the cool
If they all laugh at you
The little things you do
'Cause baby I like it, I like it Well now they think they know the deal
But they don't have a clue
The things we do, me and you
Got to keep it tight on the cool Down low on a hush
Take our time don't need to rush
You in my mind like cannabis
With the freaky way you make me bust Freaky deaky every time you see me
You best believe me
I'ma lick you down with berries and cream

You lick me with that wine and kiwi
You know it's nathin'
To keep that gossip off of baking
That's why we shaking
Them hata's spreading information
If only I knew then what I know now
Things coulda been a little different
But as it stands
I got a girl at home already on suspicion
But I want my cake and eat it too
Wanna be with her I wanna be with you
You telling me that you need it too
Let me tell you what we fixed to do
Let's keep it on the cool
It's between me and you
It's the freaky things we do
'Cause baby I like it, I like it
Let's keep it on the cool
If they all laugh at you
The little things you do
'Cause baby I like it, I like it
Ooh wee, I love it when you freak it like that
Ooh wee, on the cool, coming through from the back
Ooh wee, I love to watch you dance on my lap
Ooh wee, uh ooh wee
Uh ooh wee
You love to see your daddy roll up
Ooh wee, going hard in the paint hold up
Ooh wee, them people in yo business so what
Ooh wee, ooh wee
Let's keep it on the cool
It's between me and you
It's the freaky things we do
'Cause baby I like it, I like it
Let's keep it on the cool
If they all laugh at you
The little things you do
'Cause baby I like it, I like it
(Oh yeah, one time, so quick, how quick so quick)
Baby, I like it, uh, I like it, oh yeah, oh yeah
(Uh, sho, fo-fo'sho, fo-fo-fo'sho, fo'sho)
