

# From Paris to Berlin (INF:Club Mix)

## Infernal

From Paris to Berlin,  
and every disco I get in,  
my heart is pumping for love,  
pumping for love,  
'Cause when I'm thinking of you,  
and all the things we could do,  
my heart is pumping for love,  
you left me longing for you  
From Paris to Berlin,  
and every disco I get in,  
my heart is pumping for love,  
pumping for love,  
'Cause when I'm thinking of you,  
And all the things we could do,  
my heart is pumping for love  
Patience is a game,  
and every night I say your name,  
Hoping that you'll answer  
'cause I'm going insane.  
It's quite a long time ago ,  
You brought me out of control,  
Hungry for your love  
and like I know what that might be  
From Paris to Berlin,  
and every disco I get in,  
my heart is pumping for love,  
pumping for love,  
'Cause when I'm thinking of you,  
And all the things we could do,  
my heart is pumping for love  
you left me longing for you  
you left me longing for you  
you left me longing for you  
you left me longing for you  
Teasing was the thing  
and now I just can't let it go  
maiden you were something no-one else needs to know  
I guess I'm thinking of you,  
like I would know what to do  
when I found you, but I don't  
I've got no clue  
From Paris to Berlin,  
and every disco I get in,  
my heart is pumping for love,

pumping for love.  
'Cause when I'm thinking of you,  
And all the things we could do,  
my heart is pumping for love,  
you left me longing for you,  
you left me longing for you,  
you left me longing for you,  
you left me longing for youwho-hou-you  
who-hou-you  
who-hou-you  
who-hou-you  
who-hou-you  
who-hou-you  
who-hou-youFrom Paris to Berlin,  
and every disco I get in,  
my heart is pumping for love,  
pumping for love,  
'Cause when I'm thinking of you,  
And all the things we could do,  
my heart is pumping for love,  
you left me longing for youFrom Paris to Berlin,  
and every pumping for love,  
pumping for love,  
'Cause when I'm thinking of you,  
And all the things we could do,  
my heart is pumping for love,  
you left me longing for you,  
you left me longing for you,  
you left me longing for you,  
you left me longing for you,  
you left me longing for you
