

Rodeo

Joan Osborne

Call me home, call me home
Baby, when you comin' home?
I can't stand it so alone

Rodeo

They all say they're proud of you
Though you're still the boy I knew
What has fightin' done to you?

Rodeo

I been dreamin', boy, since you been gone
'Bout a cowboy risin' with the dawn
It's just a dream but it keeps me hangin' on
Oh rodeo, you been gone too long

A hee

Yippee a yay, yippee a yo

A hee

Yippee a yay, yippee a yo
Up all night, I'll be here
Dancin' with my darkest fear
Whisperin' your home is here

Rodeo

Call me home, call me home
Baby, when you comin' home?
I can't stand it so alone

Rodeo

I been dreamin', boy, since you been gone
'Bout a soldier risin' with the dawn
It's just a dream but it keeps me hangin' on
Oh rodeo, you been gone too long

A hee

Yippee a yay, yippee a yo

A hee

Yippee a yay, yippee a yo

Rodeo, oh, rodeo

Oh, rodeo, oh

When you coming home?
When you coming home?
When you coming home?

My rodeo
