Never Tell

Letters to Cleo

Well I stepped off the train just the other day
I swore that I saw you
A younger man, a stronger man, but certainly the man
That you were at one time.He stepped out of the station and into the sun
Thought that for sure
He would be meeting someone he would be meeting someone
Possibly the girl that he'd marry.I thought at the time that I'd warn him
Of all that was to come
Since he'd commit the damage he'd do
And all along he was out on
Didn't do it but I wanted to
It's time once again to revive some old some new
If you don't mind that it's all the same
I'll never tell you.If seem to to fade in, if you seem to fade out
Take no mind, I don't mind.
