You Still Love Me

Tasha Cobbs

Why do we do the things we do
When it hurts you,
I'd never understand why
We're at a place in our lives
Where we tired of all the lies,
And the pain we feel inside
We wanna make it rightI have nothing else to give except my life
Please accept this offering
I present my body my sacrifice... holy...
Yeah...I'm running back to you,
With my hands lifted high
I give you my heart,
And I give you my life...
I don't mean to be emotional
But sometimes I cry
When I think of all the pain,
that I caused you inside
But you still love me
You still love meSeven times seventy

And the sacrifice you've made
I gotta make it right...I have nothing else to give except my life...
Please accept my offering
I present my body, my sacrifice. Holy...I'm running back to You, with my hands lifted high
I give You my heart, and I give You my life
I don't mean to be emotional, but sometimes I cry
When I think of all the pain, that I cause You insideI'm running back to You, with my hands lifted high
I give you my heart, and I give You my life
I don't mean to be emotional, but sometimes I cry
When I think of all the pain, that I cause You inside
But You still love me, You still love me
You still love me, You still love me...Your love is unbelievable, Your love is so amazing, Your love is unconditional...At the end of the day, He loves me
At the end of the day, at the end of the day, He loves me...You still love me, You still love me...
At the end of the day, at the end of the day, He loves me...And I don't mean to be emotional, but sometimes I cry,

When I think of all the pain, that I caus
