Deftones

You're so sweet, your smile
Your pussy and your bones
You're on fire, you move me
Like music with your style Let me think
(And you think about what?)
About girls
(And what else?)
And money, and new clothes
(And what do I get?) Thirty nights
(Uh huh)
Of violence
(Yeah)
And sugar, to love Come here come here
Closer to the lung
So I can, I can
Shove her over railing You're sweet but I'm tired
Of proving this love
See you're a bore but you move me
Like a movie that you love Let me think
(And you think about what?)
About girls
(And what else?)
And money, and new clothes
(And what do I get?) Thirty nights
(Uh huh)
Of violence
(Yeah)
And sugar, to love Come here come here
Closer to the lung
So I can I can
Shove her over railing Let me think
(And you think about what?)
About girls
(And what else?)
And money, and new clothes
(And what do I get?) Thirty nights
(Uh huh)
Of violence
(Yeah)

And sugar, to love
(Fuckin' rock star) Come here, come here
Closer to the lung
Come here come here
Closer to the lung
So I can I can
Shove her over railing
