Blue Skies

Irving Berlin

I was blue, just as blue as I could be
Every day was a cloudy day for me
Then good luck came a-knocking at my door
Skies were gray but they're not gray anymoreBlue skies smiling at me
Nothing but blue skies do I see
Bluebirds singing a song
Nothing but bluebirds, all day longNever saw the sun shining so bright
Never saw things going so right
Noticing the days hurrying by
When you're in love, my how they flyBlue days, all of them gone
Nothing but blue skies from now onI should care if the wind blows east or west
I should fret if the worst looks like the best
I should mind if they say it can't be true
I should smile that's exactly what I doI should care if the wind blows east or west
I should fret if the worst looks like the best
I should mind if they say it can't be true
I should smile that's exactly what I do
