

# For Every Boy There's a Girl

[Aaron Neville](#)

For every boy, there's a girl  
And I know somewhere in this world  
There must be somebody  
There must be somebody, for me, for me I pray at night alone in my sleep  
That someday my lover I'll meet  
'cause I'm so lonely, I'm so lonely  
There must be somebody for me, for me I pray at night that you'll come back to me  
I love you with all my heart and soul  
Darling, I would never make you cry  
I want you to come to my side For every boy there's a girl  
And I know somewhere in this world  
There must be somebody  
There must be somebody, for me, for me
