Let It Out

Black Prairie

All this love come over me
And I'm frightened of the sound
So what is it your waiting for
Turn me on and turn me downI don't know what I'm gonna do
When you talk so good
If it's the truth I'm walking to
Or the player and the foolYou keep asking me to try
And I don't want to lie
So Bleed it Out
Let it Out tonight
So what is it you want from me
How do you want me to find
Love in something so messed up
Loving something not mineYou keep asking me to try
And I don't want to lie
So Bleed it Out
Let it Out tonight
You keep asking me to try
And I don't want to lie
so Bleed it Out
Let it Out tonightSo Bleed it out
Let it Out tonightI'll keep on waiting for you
