

# Let It Out

## Black Prairie

All this love come over me  
And I'm frightened of the sound  
So what is it your waiting for  
Turn me on and turn me down I don't know what I'm gonna do  
When you talk so good  
If it's the truth I'm walking to  
Or the player and the fool You keep asking me to try  
And I don't want to lie  
So Bleed it Out  
Let it Out tonight  
So what is it you want from me  
How do you want me to find  
Love in something so messed up  
Loving something not mine You keep asking me to try  
And I don't want to lie  
So Bleed it Out  
Let it Out tonight  
You keep asking me to try  
And I don't want to lie  
so Bleed it Out  
Let it Out tonight So Bleed it out  
Let it Out tonight I'll keep on waiting for you
