

Give It All You Got

Fastway

Don't you ever do it, don't you tell me no lies
Lovin' that woman till the day I die
Reachin' for the top ain't gonna fall
Buy me some booze and a big fancy car That's right, hold on tight
'Cause I don't wanna leave you behind Give it all you got, I've got something
Give it all you got it's not enough now
Give it all you got, I've got something
Give it all you got Dancin' with my girl but she could have been you
Don't say I told you I told you it's true
Now you're on your own feeling the strain
Crying won't help, ever, ever again So sad, ain't it true
Now that you, you've got nothing left to lose Give it all you got, I've got something
Give it all you got it's not enough now
Give it all you got, I've got something
Give it all you got Did you ever feel like a stranger or a shadow
Through a glass window?
Wondering why there's so many answers
To questions never been asked Don't you ever do it, don't you tell me no lies
Lovin' that woman till the day I die
Reachin' for the top, ain't gonna fall
Buy me some booze and a big fancy car That's right, hold on tight
'Cause I don't wanna leave you behind Give it all you got, I've got something
Give it all you got it's not enough now
Give it all you got, I've got something
Give it all you got
