Journey's End (Radio Edit)

The Cains

Please don't write me letters
I can't read them
Please don't stay forever
Just a season
Say you'll be there waiting (say you're waiting)
Say you need meWhen you call out my name
I can feel it
Carried on by the sea
Through the night
When you look to the stars
Let them guide you
I'll be there at your journey's endMeet me in the memory
I can feel you
I can feel your heartbeat (feel your heartbeat)
Mine beats with youWhen you call out my name
I can feel it
Carried on by the sea
Through the night
When you look to the stars
Let them guide you
I'll be there at your journey's end
Oh oh
I'll never let you go
Oh oh
We're gonna meet again
At your journey's endOver the mountain to the sea
You will call to me I know
Over the mountain to the sea
You will run to me my loveWhen you call out my name
I can feel it
Carried on by the sea
Through the night
When you look to the stars
Let them guide you
I'll be there at your journey's end
Oh oh
I'll never let you go
Oh oh
We're gonna meet again

At your journey's end
