Bohemian Child

Boho Dancer

Please keep of my chest
Haunt me no more stranger
Cheating bones has caught me
Ruined my picture in the water

Lose your self
In the mountains where you lay down
Crawl from stone to stone
And feel like a bohemian child

Found my last meal in his wooden chamber
Silence took my voice into a deeper ground
The floor was filled with holes
Woodworms go drown them in the water

Lose yourself
In the mountains where you lay down
Crawl from stone to stone
And feel like a bohemian child
Lose your self
Collecting the straws that you find
On my body
The clothes I wore is gone
