

Everything Will Be Okay

Home Free

Austin: Driving down the road,
don't know where I'm going.
I see your face in every car that passes me by.
I know it's true,
there's no way you're knowin'
where this will lead,
but I can't help but wonder why don't we just try? All I want to do, is be with you.
And all I want you to know is I ain't lettin' go.
All I want to feel is that we've got something real.
And all I want you to say is everything will be okay.
Yeah. Rob: Now I'd be lying if I said that I wasn't worried.
But I told myself that I would never fall again.
And I'm sure you'll call,
but I wish you'd hurry.
And I'll have your way,
darling, you just tell me when will we give in? All I want to do is be with you.
And all I want you to know is I ain't lettin' go.
All I want to feel is that we've got something real.
And all I want you to say- Austin: Is everything will be okay. It'll be okay. Maybe, baby, we're just crazy, but it
may be love. Rob: All I want to do is be with you.
And all I want you to know is I ain't lettin' go.
All I want to feel is that we've got something real.
And all I want you to say- Austin: Is everything will be okay. Everything will be okay. It'll be okay. Rob: I know
it'll be okay.
I know, I know, I know. Austin: It's gonna be alright, tonight.
It's gonna be alright, tonight. Austin/Rob: It's gonna be alright, tonight.
It's gonna be alright, tonight.
